Subject: Property

Hi Karen –

As we discussed on the phone this morning I am sending you this email on behalf of Marquette Community Federal Credit Union to express an interest in the possible purchase of the City owned property in South Marquette. The Credit Union has been exploring relocation and/or expansion options and that particular piece of property was brought to our attention. We had our architects do a preliminary drawing (which I believe you are in possession of) to determine the maximum size building that would fit on that property and it appears it would suffice for our requirements. Please let me know if there is anything further you need. I would just like to add that the Credit Union has been in Marquette serving the community since 1952 and would appreciate the opportunity to discuss this possibility should the decision be made by the City to sell.

Thank you.
