1015 N Third Street  
Marquette, MI 49855

Dear Mayor Mayer and Commissioners

The Hiawatha Music Co-op is delighted to support the suggestion to name the new bandshell at Presque Isle Park in honor of Peg Hirvonen. She passed on her support of the arts in Marquette to her family and especially to the Hirvonen Foundation, which has been a generous supporter of Hiawatha and so many in the Marquette arts community. It is entirely fitting that the new bandshell should bear her name.
