City of Marquette
Ordinance in Violation

Sec. 22-19. - Defined; prohibited.

Whatever annoys, injures or endangers the safety, health, comfort or repose of the public; offends public decency; interferes with, obstructs, or renders dangerous any street, highway, navigable lake or stream; or in any way renders the public insecure in life or property is hereby declared to be a public nuisance. A public nuisance shall include, but not be limited to, whatever is forbidden by any provision of this article. No person shall commit, create, or maintain any nuisance.

(Code 1999, § 26.01)

Sec. 22-20. - Dangerous structures; declared a public nuisance.

- (a) No person shall maintain any structure which is unsafe or which is a menace to the health, morals, or safety of the public. Every such structure shall be deemed a public nuisance and a dangerous structure.
- (b) As used in this section, the term "dangerous structure" means a building or structure that has one or more of the following defects or is in one or more of the following conditions:
 - (1) A door, aisle, passageway, stairway, or other means of exit does not conform to the approved fire code of the city.
 - (2) A portion of the building or structure is damaged by fire, wind, flood, deterioration, neglect, abandonment, vandalism, or other cause so that the structural strength or stability of the building or structure is appreciably less than it was before the damage and does not meet the minimum requirements of the state construction code and this Code.
 - (3) A part of the building or structure is likely to fall, become detached or dislodged, or collapse and injure persons or damage property.
 - (4) A portion of the building or structure has settled to an extent that walls or other structural portions of the building or structure have materially less resistance to wind than is required in the case of new construction by the state construction code.
 - (5) The building or structure, or a part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the ground necessary for the support, or for other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fall or give way.
 - (6) The building, structure, or a part of the building or structure is manifestly unsafe for the purpose for which it is used.
 - (7) The building or structure is damaged by fire, wind, or flood, is dilapidated or deteriorated and becomes an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals, or immoral persons, or enables

persons to resort to the building or structure for committing a nuisance or an unlawful or immoral act.

- (8) A building or structure used or intended to be used for dwelling purposes, including the adjoining grounds, because of dilapidation, decay, damage, faulty construction or arrangement, or for other reason, is unsanitary or unfit for human habitation, is in a condition that the health officer determines is likely to cause sickness or disease, or is likely to injure the health, safety, or general welfare of people living in the dwelling.
- (9) A building or structure is vacant, dilapidated, and open at door or window, leaving the interior of the building exposed to the elements or accessible to entrance by trespassers.
- (10) A building or structure remains unoccupied for a period of 180 consecutive days or longer, and is not listed as being available for sale, lease, or rent with a real estate broker licensed under article 25 of the occupational code, Public Act No. 299 of 1980 (MCL 339.2501 et seq.). For purposes of this subsection, the term "building or structure" includes, but is not limited to, a commercial building or structure. This subsection does not apply to either of the following:
 - a. A building or structure if the owner or agent does both of the following:
 1. Notifies a local law enforcement agency that the building or structure will remain unoccupied for a period of 180 consecutive days. The notice shall be given to the local law enforcement agency by the owner or agent not more than 30 days after the building or structure becomes unoccupied.
 2. Maintains the exterior of the building or structure and adjoining grounds in accordance with the state construction code.
 - b. A secondary dwelling of the owner that is regularly unoccupied for a period of 180 days or longer each year, if the owner notifies a local law enforcement agency that the dwelling will remain unoccupied for a period of 180 consecutive days or more each year. An owner who has given the notice prescribed by this subsection (b)(10)b shall notify the law enforcement agency not more than 30 days after the dwelling no longer qualifies for this exception. As used in this subsection (b)(10)b, the term "secondary dwelling" means a dwelling, including, but not limited to, a vacation home, hunting cabin, or summer home, that is occupied by the owner or a member of the owner's family during part of a year.

(Code 1999, § 26.02)

Sec. 22-21. - Notice and hearing.

The city commission may, after notice to the owner and after holding a public hearing thereon, condemn any structure constituting a public nuisance by giving notice to the owner of the land upon which such structure is located, specifying in what respects said structure is a public nuisance and requiring said owner to alter, repair, tear down or remove same within such reasonable time, not exceeding 60 days, as may be

necessary to do or have done the work required by said notice. Said notice may also provide a reasonable time within which such work shall be commenced. The same procedure shall be followed, where applicable, in the elimination of any condition constituting a public nuisance where the alteration, repair or removal of any structure is not involved. In such cases, the notice shall specify what activity or condition constitutes the public nuisance and in what respect it is to be altered, modified or discontinued.

(Code 1999, § 26.03)

Sec. 22-22. - Abatement.

If, at the expiration of the time limit in any such notice, the owner has not complied with the requirements thereof, the city manager shall carry out the requirements of said notice. The cost of such abatement shall be charged against the premises and the owner thereof in accordance with the provisions of chapter 40, pertaining to special assessments.

(Code 1999, § 26.04)

Sec. 22-23. - Emergency abatement.

The city manager may abate any such public nuisance, if the public safety requires immediate action, without preliminary order of the commission. Thereafter, the cost of abating such nuisance shall be charged against the premises and the owner thereof in accordance with the provisions of chapter 40, pertaining to special assessments.

SECTION 202 GENERAL DEFINITIONS

ANCHORED. Secured in a manner that provides positive connection.

APPROVED. Acceptable to the code official .

CODE OFFICIAL. The official who is charged with the administration and enforcement of this code, or any duly authorized representative.

DETERIORATION. To weaken, disintegrate, corrode, rust or decay and lose effectiveness

EXTERIOR PROPERTY. The open space on the premises and on adjoining property under the control of owners or operators of such premises.

INFESTATION. The presence, within or contiguous to, a structure or premises of insects, rodents, vermin or other pests.

STRUCTURE. That which is built or constructed.

SECTION 111

UNSAFE STRUCTURES AND EQUIPMENT

111.1 General Unsafe conditions. When a structure or equipment is found by the code official to be unsafe, or when a structure is found unfit for human occupancy, or is found unlawful, such structure shall be condemned pursuant to the provisions of this code.

111.1.1 Unsafe structures. An unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure by not providing minimum safeguards to protect or warn occupants in the event of fire, or because such structure contains unsafe equipment or is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible.

111.1.2 Unsafe equipment. Unsafe equipment includes any boiler, heating equipment, elevator, moving stairway, electrical wiring or device, flammable liquid containers or other equipment on the premises or within the structure that is in such disrepair or condition that such equipment is a hazard to life, health, property or safety of the public or occupants of the premises or structure.

111.1.3 Structure unfit for human occupancy. A structure is unfit for human occupancy whenever the code official finds that such structure is unsafe, unlawful or, because of the degree to which the structure is in disrepair or lacks maintenance, is insanitary, vermin or rat infested, contains filth and contamination, or lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this code, or because the location of the structure constitutes a hazard to the occupants of the structure or to the public.

111.1.4 Unlawful structure. An unlawful structure is one found in whole or in part to be occupied by more persons than permitted under this code, or was erected, altered or occupied contrary to law.

111.1.5 Dangerous structure or premises. For the purpose of this code, any structure or premises that has any or all of the conditions or defects described as follows shall be considered to be dangerous:

1. Any door, aisle, passageway, stairway, exit or other means of egress that does not conform to the approved building or fire code of the jurisdiction as related to the requirements for existing buildings.
2. The walking surface of any aisle, passageway, stairway, exit or other means of egress is so warped, worn loose, torn or otherwise unsafe as to not provide safe and adequate means of egress.
3. Any portion of a building, structure or appurtenance that has been damaged by fire, earthquake, wind, flood, deterioration, neglect, abandonment, vandalism or by any other cause to such an extent that it is likely to partially or completely collapse, or to become detached or dislodged.
4. Any portion of a building, or any member, appurtenance or ornamentation on the exterior thereof that is not of sufficient strength or stability, or is not so anchored, attached or fastened in place so as to be capable of resisting natural or artificial loads of one and one-half the original designed value.

5. The building or structure, or part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the ground necessary for the support, or for any other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fail or give way.

6. The building or structure, or any portion thereof, is clearly unsafe for its use and occupancy.

7. The building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act.

8. Any building or structure has been constructed, exists or is maintained in violation of any specific requirement or prohibition applicable to such building or structure provided by the approved building or fire code of the jurisdiction, or of any law or ordinance to such an extent as to present either a substantial risk of fire, building collapse or any other threat to life and safety.

9. A building or structure, used or intended to be used for dwelling purposes, because of inadequate maintenance, dilapidation, decay, damage, faulty construction or arrangement, inadequate light, ventilation, mechanical or plumbing system, or otherwise, is determined by the code official to be unsanitary, unfit for human habitation or in such a condition that is likely to cause sickness or disease.

10. Any building or structure, because of a lack of sufficient or proper fire-resistance-rated construction, fire protection systems, electrical system, fuel connections, mechanical system, plumbing system or other cause, is determined by the code official to be a threat to life or health.

11. Any portion of a building remains on a site after the demolition or destruction of the building or structure or whenever any building or structure is abandoned so as to constitute such building or portion thereof as an attractive nuisance or hazard to the public.

111.2 Closing of vacant structures. If the structure is vacant and unfit for human habitation and occupancy, and is not in danger of structural collapse, the code official is authorized to post a placard of condemnation on the premises and order the structure closed up so as not to be an attractive nuisance. Upon failure of the owner or owner's authorized agent to close up the premises within the time specified in the order, the code official shall cause the premises to be closed and secured through any available public agency or by contract or arrangement by private persons and the cost thereof shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate and shall be collected by any other legal resource.

111.2.1 Authority to disconnect service utilities. The code official shall have the authority to authorize disconnection of utility service to the building, structure or system regulated by this code and the referenced codes and standards set forth in Section 102.8 in case of emergency where necessary to eliminate an immediate hazard to life or property or where such utility connection has been made without approval. The code official shall notify the serving utility and, whenever possible, the owner or owner's authorized agent and occupant of the building, structure or service system of the decision to disconnect prior to taking such action. If not notified prior to

disconnection the owner, owner's authorized agent or occupant of the building structure or service system shall be notified in writing as soon as practical thereafter.

111.3 Record. The code official shall cause a report to be filed on an unsafe condition. The report shall state the occupancy of the structure and the nature of the unsafe condition.

111.4 Notice. Whenever the code official determines that there has been a violation of this code or has grounds to believe that a violation has occurred, notice shall be given in the manner prescribed in Sections 111.4.1 and 111.4.2 to the person responsible owner or the owner's authorized agent, for the violation as specified in this code. Notices for condemnation procedures shall comply with this section.

111.4.1 Form. Such notice prescribed in Section 111.4 shall be in accordance with all of the following:

1. Be in writing.
2. Include a description of the real estate sufficient for identification.
3. Include a statement of the violation or violations and why the notice is being issued.
4. Include a correction order allowing a reasonable time to make the repairs and improvements required to bring the dwelling unit or structure into compliance with the provisions of this code.
5. Inform the property owner or owner's authorized agent of the right to appeal.
6. Include a statement of the right to file a lien in accordance with Section 109.3.

111.4.2 Method of service. Such notice shall be deemed to be properly served if where a copy thereof is served in accordance with one of the following methods: delivered personally, or sent by certified or first-class mail addressed to the last known address.

1. A copy is delivered personally.
2. A copy is sent by certified or registered mail addressed to the owner at the last known address with the return receipt requested.
3. A copy is delivered in any other manner as prescribed by local law.

If the certified or registered letter is returned showing that the letter was not delivered, a copy thereof shall be posted in a conspicuous place in or about the structure affected by such notice. Service of such notice in the foregoing manner upon the owner's agent or upon the person responsible for the structure shall constitute service of notice upon the owner.

111.5 Unauthorized tampering. Signs, tags or seals posted or affixed by the code official shall not be mutilated, destroyed or tampered with, or removed without authorization from the code official.

111.6 Transfer of ownership. It shall be unlawful for the owner of any dwelling unit or structure who has received a compliance order or upon whom a notice of violation has been served to sell, transfer, mortgage, lease or otherwise dispose of such dwelling unit or structure to another until the provisions of the compliance order or notice of violation have been complied with, or until such

owner or the owner's authorized agent shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation issued by the code official and shall furnish to the code official a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.

111.7 Placarding. Upon failure of the owner, owner's authorized agent or person responsible to comply with the notice provisions within the time given, the code official shall post on the premises or on defective equipment a placard bearing the word "Condemned" and a statement of the penalties provided for occupying the premises, operating the equipment or removing the placard. Such notice shall be posted in a conspicuous place in or about the structure affected by such notice. If the notice pertains to equipment, it shall be placed on the condemned equipment.

111.7.1 Placard removal. The code official shall remove the condemnation placard whenever the defect or defects upon which the condemnation and placarding action were based have been eliminated. Any person who defaces or removes a condemnation placard without the approval of the code official shall be subject to the penalties provided by this code.

111.8 Prohibited occupancy. Any occupied structure condemned and placarded by the code official shall be vacated as ordered by the code official. Any person who shall occupy a placarded premises or shall operate placarded equipment, and any owner, or owner's authorized agent or person responsible for the premises who shall let anyone occupy a placarded premises or operate placarded equipment shall be liable for the penalties provided by this code.

111.9 Abatement methods. Restoration or abatement. The structure or equipment determined to be unsafe by the code official is permitted to be restored to a safe condition. The owner, owner's authorized agent, operator or occupant of a building structure, premises or equipment deemed unsafe by the code official shall abate or cause to be abated or corrected such unsafe conditions either by repair, rehabilitation, demolition or other approved corrective action. To the extent that repairs, alterations, or additions are made or a change of occupancy occurs during the restoration of the structure, such repairs, alterations, additions, or change of occupancy shall comply with the requirements of the International Existing Building Code.

SECTION 304 EXTERIOR STRUCTURE

304.1 General. The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.

304.1.1 Unsafe conditions. The following conditions shall be determined as unsafe and shall be repaired or replaced to comply with the International Building Code or the International Existing Building Code as required for existing buildings:

1. The nominal strength of any structural member is exceeded by nominal loads, the load effects or the required strength.
2. The anchorage of the floor or roof to walls or columns, and of walls and columns to foundations is not capable of resisting all nominal loads or load effects.
3. Structures or components thereof that have reached their limit state.
4. Siding and masonry joints including joints between the building envelope and the perimeter of windows, doors and skylights are not maintained, weather resistant or water tight.
5. Structural members that have evidence of deterioration or that are not capable of safely supporting all nominal loads and load effects.
6. Foundation systems that are not firmly supported by footings, are not plumb and free from open cracks and breaks, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects.
7. Exterior walls that are not anchored to supporting and supported elements or are not plumb and free of holes, cracks or breaks and loose or rotting materials, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects.
8. Roofing or roofing components that have defects that admit rain, roof surfaces with inadequate drainage, or any portion of the roof framing that is not in good repair with signs of deterioration , fatigue or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects.
9. Flooring and flooring components with defects that affect serviceability or flooring components that show signs of deterioration or fatigue, are not properly anchored or are incapable of supporting all nominal loads and resisting all load effects.
10. Veneer, cornices, belt courses, corbels, trim, wall facings and similar decorative features not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.
11. Overhang extensions or projections including, but not limited to, trash chutes, canopies, marquees, signs, awnings, fire escapes, standpipes and exhaust ducts not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.
12. Exterior stairs, decks, porches, balconies and all similar appurtenances attached thereto, including guard s and

handrails, are not structurally sound, not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.

13. Chimneys, cooling towers, smokestacks and similar appurtenances not structurally sound or not properly anchored, or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.

Exceptions:

1. Where substantiated otherwise by an approved method.
2. Demolition of unsafe conditions shall be permitted where approved by the code official .

SECTION 302 EXTERIOR PROPERTY AREAS

302.5 Rodent harborage. Structures and exterior property shall be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes that will not be injurious to human health. After pest elimination, proper precautions shall be taken to eliminate rodent harborage and prevent reinfestation.

302.7 Accessory structures. Accessory structures, including detached garages, fences and walls, shall be maintained structurally sound and in good repair.

304.2 Protective treatment. Exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks and fences, shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. Siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained weather resistant and water tight. Metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion, and surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.

304.4 Structural members. Structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.

304.6 Exterior walls. Exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

Re: EN20-0327 for 308 S FIFTH ST (PIN: 0240030)

Dear Property Owner:

A recent survey of your property located at **308 S FIFTH ST** is in violation of the Marquette City Code of Ordinances, in particular Chapter 10 Buildings and Building Regulations, Article III Property Maintenance Code. See below for details.

Section 10-40 of the City's Property Maintenance Code, adopts by reference the International Property Maintenance Code (IPMC), the following section is from the IPMC:

Section 302.7 Accessory structures. All accessory structures, including detached garages, fences and walls, shall be maintained structurally sound and in good repair.

The ordinance is designed to protect the public health and safety, protect property values, and ensure that Marquette presents a positive and aesthetically pleasing image to visitors and residents alike.

Please bring your property into compliance with the ordinance. Your cooperation in correcting this violation will be greatly appreciated. Correcting the violation includes all improvements necessary to make each structure sound and safe in construction to include: repairs to the fascia of the main structure, improvement to the main structure's roof, and an improvement or demolition of the damaged garage. Due to the extent of work, please contact me by **11/23/2020** to discuss your intent and schedule further inspections. **Failure to comply before this date will result in the issuance of a Municipal Civil Infraction Citation. This will be the only warning.**

If you have any questions, including what is necessary to bring the property into compliance, please do not hesitate to contact me. I can be reached at erpaupore@marquettemi.gov or (906) 225-4021.

Sincerely,

Re: EN20-0327 for 308 S FIFTH ST (PIN: 0240030)

Dear Property Owner:

A recent survey of your property located at **308 S FIFTH ST** is in still violation of the Marquette City Code of Ordinances, in particular Chapter 10 Buildings and Building Regulations, Article III Property Maintenance Code. See below for details.

Section 10-40 of the City's Property Maintenance Code, adopts by reference the International Property Maintenance Code (IPMC), the following section is from the IPMC:

Section 302.7 Accessory structures. All accessory structures, including detached garages, fences and walls, shall be maintained structurally sound and in good repair.

Per your email on 11/23/2020, an extension for completion was given at your requested date of 07/23/2021. Failure to meet compliance on reinspection has resulted in the issuance of a municipal civil infraction.

In order to meet compliance, the large hole in the side of your garage must be repaired to prevent further deterioration as well as to weatherproof it. Correcting the violation includes all improvements necessary to make each structure sound and safe in construction to include: repairs to the fascia of the main structure, improvement to the main structure's roof, and an improvement or demolition of the damaged garage.

Future inspections will resume on a bi-weekly schedule with the next reinspection occurring on **10/27/2021**. Failure to meet compliance on each inspection will result in additional citations being issued.

The set schedule for municipal civil infraction citations is: \$50 for the first, \$100 for the second, and \$500 for each additional.

If you have any questions, including what is necessary to bring the property into compliance, please do not hesitate to contact me. I can be reached at erpaupore@marquettemi.gov or (906) 225-4021.

Re: EN20-0327 for 308 S FIFTH ST (PIN: 0240030)

Dear Mr. Morrison,

I would like to first thank you for taking the time to speak with me about your property located at **308 S FIFTH ST.**

As I had mentioned when we spoke on March 28, 2024, while at your property at 529 N Fourth St, the International Property Maintenance Violation pertaining to your damaged garage located at 308 S Fifth St remains unresolved. Copies of all prior correspondence regarding this violation are enclosed. This includes documentation from the Marquette County District Court showing that all unpaid tickets have been converted to bench warrants for arrest. I suggest you contact them to discuss this.

Reinspection's will resume on a biweekly basis starting **04/15/2024**. If the project is not completed or you have not contacted me by this date to schedule a timeline for completion, Municipal Civil Infractions will resume being issued. If scheduling a timeline is the chosen option, strict deadlines will be upheld to ensure compliance to this ordinance. Also, any plans that may exceed this date must be detailed and with a receipt and acknowledgment of this specific plan from me. Failure to do so will result in ticketing at the \$500 tier, as this is where ticketing and enforcement was paused due to your lack of response to prior notices.

This letter constitutes notice and is intended to provide you with a fair and reasonable opportunity to correct apparent violations. Please contact me at erpauapore@marquettemi.gov or (906) 225-4021 to schedule a timeline for completion.

Sincerely,

Dear Mr. Morrison:

A recent survey of your property located at **308 S FIFTH ST** remains in violation of the Marquette City Code of Ordinances, in particular Chapter 10 Buildings and Building Regulations, Article III Property Maintenance Code. See below for details.

Section 10-40 of the City's Property Maintenance Code, Section 302.7 Accessory structures. All accessory structures, including detached garages, fences and walls, shall be maintained structurally sound and in good repair.

Correcting the violation includes all improvements necessary to make each structure sound and safe in construction to include repairs to the fascia of the main structure, improvement to the main structure's roof, and an improvement or demolition of the damaged garage. So far, no changes have been made since this violation was first identified on 10/15/2021.

Future inspections will resume on a bi-weekly schedule with the next reinspection occurring on **05/01/2024**. Failure to meet compliance on each inspection will result in additional citations being issued. As was previously stated to you in person and in the mail delivered by certified mail to your properties at 308 S Fifth St and 529 N Fourth St, as well as in an email delivered to cwmorrison1@gmail.com, this offense has reached the top tier of ticketing and all tickets issued will be at the \$500 level.

If you have any questions, including what is necessary to bring the property into compliance, please do not hesitate to contact me. I can be reached at erpaupore@marquettemi.gov or (906) 225-4021.

Re: EN20-0327 for 308 S FIFTH ST (PIN: 0240030)

Dear Property Owner:

A recent inspection has shown that your property located at **308 S FIFTH ST** is in violation of the Marquette City Code of Ordinances, in particular Chapter 10 Buildings and Building Regulations, Article III Property Maintenance Code.

Section 304.6 states: *All exterior walls shall be maintained free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.*

In order to bring your property into compliance and avoid a citation, you must take the appropriate measures to ensure that the premises comply with the ordinance, including siding the garage on your property.

Given the extent of the damage, it may not be possible to complete the necessary repairs by the reinspection date of **05/16/2024**. However, I would ask that you contact me before this date to discuss a reasonable timeframe and schedule for repair. Failure to contact me and/or correct the violation before this date will result in a Municipal Civil Infraction Citation being issued.

If you have any questions, including what is necessary to bring the property into compliance, please contact me at erpaupore@marquettemi.gov or (906) 225-4021.

Re: EN24-0137 for 308 S FIFTH ST (PIN: 0240030)

Dear Mr. Morrison:

Today, while near City Hall, I approached you at your property at 308 S Fifth Street to discuss the many outstanding Land Development Code and City Ordinance violations regarding this property. We discussed in length the requirements to bring these violations into compliance and avoid additional ticketing and set due dates for each of these violations to be resolved by. These were dates that you provided for me, and I agreed upon. Below is specific information on each violation, the requirements to meet compliance, the due date for each offense, and the penalty for non-compliance to the ordinances upon reinspection.

Your property located at **308 S FIFTH ST** in violation of the Marquette City Code of Ordinances, in particular Chapter 22 Environment, Article II Nuisances.

Section 22-33 Prohibited Accumulations states: *It shall be unlawful for any person to accumulate or permit the accumulation on any yard, alley, vacant lot or other spaces in the city of any lumber, boxes, barrels, bricks, stone, scrap metal, motor vehicle bodies or parts, or similar materials, or rubbish or any articles or junk, except as may be necessary and incidental to construction work or the normal course of a business or trade.*

To bring your property into compliance and avoid additional citations for this offense, you must remove or properly store all unlawful materials and items from the exterior of the buildings and yard, including bikes, propane fuel containers, tools, materials, lumber trash, **and all other items** throughout the yard and on the front porch. **This violation must be corrected by the agreed reinspection of Tuesday, July 9, 2024 at 10:00 AM.** Failure to do so will result in tickets continuing at the tier in which the last ticket was issued. Therefore, all tickets for this violation will be at the \$500 level.

Also discussed today was that the front stairs are actively being repaired structurally and require a Zoning Compliance Permit and likely, a Marquette County Building Codes permit. This is in violation of the City of Marquette Land Development Code, specifically Article 14, Section 54.1401 Zoning Permits and Zoning Compliance Review. Please see below for details.

Section 54.1401 Zoning Permits and Zoning Compliance Review
(A) Submission of Zoning Compliance Application Required. *No person shall commence to erect, alter, or repair any structure or to replace or enlarge any of*

the uses listed in Section 54.1401(B), without first obtaining Zoning Compliance and approval of plans. No use shall be carried on, nor construction undertaken, except as shown upon an approved Zoning Compliance application and plan. Plans shall be submitted to the Zoning Administrator or designated official.

I am providing you with a Zoning Compliance Permit application that must be completed and returned to our office by Tuesday, July 9, 2024, at 10:00 AM.

Failure to do so will result in a municipal civil infraction citation being issued. This is a new violation and will be ticketed at the \$50 level. To determine whether this will require if this requires a County Building Permit, you should contact the Marquette County Building Codes at 906-225-8180 or at their offices at 234 W Baraga Avenue. This letter will also be copied to their office as notice of the ongoing construction.

Also discussed in our conversation today was the violation of the Marquette City Code of Ordinances, Chapter 22 Environment, Article II Nuisances. See below for details.

Ordinance Section 22-34 – Storage of unlicensed vehicles: No person in charge or control of any property within the city, whether as owner, tenant, occupant, lessee or otherwise, shall allow any partially dismantled, non-operating, wrecked, or junked vehicle on any property within the city for a period in excess of one week; provided, however, that this article shall not apply to said motor vehicles which are stored in an enclosed building or vehicles on the premises of a business enterprise that stores or repairs such vehicles.

In order to bring your property into compliance and avoid a citation, you must properly license and make operable *all* vehicles located on your property, place any non-compliant vehicles in an enclosed building, or remove them from the property. Specifically, the gray Dodge truck. **Re-inspections will occur on the agreed upon date of Friday August 2, 2024 by 10:00 AM.** If the vehicle is to remain, proof of valid and current vehicle registration must be provided to our office by the inspection date. Failure to correct the violation before the reinspection date will result in a Municipal Civil Infraction being issued. This is a new violation and will be ticketed at the \$50 level.

Also discussed today was the outstanding violation of the Marquette City Code of Ordinances, in particular Chapter 10 Buildings and Building Regulations, Article III Property Maintenance Code.

Section 304.6 states: All exterior walls shall be maintained free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

In order to bring your property into compliance and avoid additional citations, you must take the appropriate measures to ensure that the premises comply with the ordinance, **including repairing the large hole in the side of your garage.**

Given the extent of the damage we agreed to an **extended reinspection date of Friday, November 29, 2024, by 10:00 AM.** Failure to correct the violation before this date will result in additional municipal civil infractions being issued at the tier in which

the last ticket was issued. Therefore, all additional tickets for this violation will be at the \$500 level.

Also, many tickets have been issued for this offense since the case opened on October 15, 2020. Failure to pay for those tickets has resulted in them being forwarded to the Marquette County District Court. Per discussions with their office, many of these have been converted to bench warrants for arrest. I am providing with this letter a list of these outstanding tickets and their status with the Marquette County District Court. To resolve these, you should contact them at 906-225-8235 or at their offices at 234 W Baraga Avenue.

Municipal civil infractions are issued at rate of \$50 for the first, \$100 for the second, and \$500 for each additional failed reinspection and can be issued each day the violation exists.

If you have any questions, please do not hesitate to contact me. I can be reached at erpaupore@marquettemi.gov or (906) 225-4021.

Mr. Morrison,

Today was the third bi-weekly reinspection for your properties located at 308 S Fifth St and 529 N Fourth St. Bi-weekly reinspection's resumed on July 23 per your requested extension back on 11/23/2020.

Today's failed reinspection will result in \$500 tickets for each property's respective violations. Municipal Civil Infraction Notice of Violation #'s 8859 and 8860 have been deposited in today's outgoing mail. From today's date forward, failure to contact our office for violation resolution, failed reinspection's, or work/demolition without securing a Zoning Compliance Permit will result in \$500 tickets for each offense on the preset bi-weekly schedule.

Additionally, It appears as if 529 N Fourth has undergone partial demolition of the area under code violation. This work requires a Zoning Compliance Permit for demolition and the need for such was relayed in each failed reinspection letter addressed to you since 07/26/2021.

Please contact our office to discuss your plans for compliance on each of these open code violations.

11/18/2021 - Per District Court - first 3 CIC's unresolved and notice of show cause has been issued. Remaining still unpaid but not show caused yet. Enforcement paused pending court action. Reinspection set for post-show cause on 12/15 EP

Fri 12/17/2021 9:59 AM

So there was only one hearing on 12/15/21. It was for 5222.

5222 = He didn't show up so I issued a bench warrant that is on Judge's desk for signature.

5427 = \$648 balance owed. Next step will be a show cause hearing most likely in January

5428 = \$648 balance owed. Next step will be a show cause hearing most likely in January

5218 = \$96 balance owed. This just got closed because there are not enough jail eligible fines to bench warrant him.

Pam has transferred offices so please let me know if you need anything further.

Hi Pamela,

I believe there was a hearing this week for a few of the CIC's issued to Charles Morrison. I believe the associated tickets are CIC#'s 5218, 5222, 5427, and 5428. Could you please let me know what the outcome was?

Kaitlin Halvorson <KHalvorson@mqtco.org>

Eric Paupore

Good morning, Eric,

5218 - The case was closed due to not enough jail eligible fines to bench warrant.

5222 - Bench Warrant was issued for \$156

5427 - Bench Warrant was issued for \$648

5428 - Bench Warrant was issued for \$648

5438 - Bench Warrant was issued for \$648

5445 - Bench Warrant was issued for \$648

I was unable to find a citation with a matching CIC for 5433. I did find three others for Mr. Morrison that have bench warrants. They are:

8871 - Bench Warrant was issued for \$648

5429 - Bench Warrant was issued for \$612

5221 - Bench Warrant was issued for \$120

Thank you

Good morning, Kaitlin,

I'm doing some case follow-up and was wondering if you could let me know what the status/resolution was on your end for tickets that I had issued for Charles Morrison of 308 S Fifth St in the City of Marquette. Many tickets were issued with non-payment resulting in them being forwarded to the courts and my last notes showed that there was a large outstanding balance and a bench warrant issued.

The CIC 3's are: 5218, 5222, 5427, 5428, 5433, 5438, 5445.

These were all issued in 2021.

AFFIDAVIT FOR SEARCH WARRANT

Please type or press hard.

See the other side for instructions.

Police Agency Report Number: 2555900025

Jeffrey Fossitt, Fire Marshal, affiant(s), state that:

1. The person, place, or thing to be searched is described as and is located at:

The interior and exterior of the premises and garage located at 308 S. Fifth Street, Marquette, Michigan for the purpose of determining life safety and structural integrity of the structure pursuant to the International Property Maintenance Code (IPMC) 2021, Section 111. The property will be cleared by a police officer to ensure safe entry and the search shall be conducted by Fire Marshal Jeffrey Fossitt with the assistance of a paid consultant.

2. The PROPERTY/PERSON to be searched for and seized, if found, is specifically described as:

No property to be seized.

3. The FACTS establishing probable cause or the grounds for search are:

- a. Affiant is employed as City of Marquette Fire Marshal.
- b. The Fire Department was notified by the Zoning Technician, Eric Paupore, that the condition of the garage has deteriorated over recent years despite enforcement efforts to have it repaired, that the garage looks to be unsound, and that further investigation is needed.
- c. The Fire Department became aware that the garage is near an occupied home on the property, is near an occupied home on an adjoining property, and that the structural issues could pose a life safety risk to the occupants.
- d. Affiant indicated, in writing, an intent to conduct a life safety inspection and structural assessment of the property during regular business hours, and Charles W. Morrison (owner) has not responded.
- e. Charles W. Morrison has not cooperated with efforts to resolve code violations related to the garage and his property, and Affiant has reason to believe he will not cooperate with the inspection and structural assessment.
- f. Pursuant to State of Michigan Public Act 207 the Fire Marshal has the authority to enter the premises to carry out fire and life safety inspections.

This affidavit consists of one (1) pages.

RE: 308 S. Fifth Street Garage

Mr. Fossitt:

I visited the property at 308 South Fifth Street today to provide an opinion on the structural safety of the garage behind the residence. The existing structure is a wood framed storage building, approximately 20 feet in each dimension. This opinion is based on a visual inspection of the structure from the exterior, including the interior portions visible through the large hole in the east wall.

Approximately 50 percent of the east wall of the structure is open. It appears this was originally constructed as a load bearing wall supporting the roof rafters and collar ties. Due to the missing piece of the wall, there is no structural support for the roof rafters or collar ties on that portion of the building, with a noticeable sag in the roof. As the collar ties are not functional both the east and west walls are spreading at the top as the roof is dropping.

The remaining wall studs and roof rafters are in poor condition. There is extensive rot and charring from previous fire damage on the remaining material. Much of the wood framing that could be observed has rotted to an extent to significantly reduce its structural capacity. It appears the wall is built on a heavy timber sill that has rotated out from its original position, and the bottom of the wall studs have been partially pushed off that supporting timber.

Due to the extent of structural damage, I would not consider this structure safe to occupy. Based on the extensive decay and damage, it does not appear it would be economically feasible to repair the structure as much of the material would need to be removed and replaced. The cost to do this would likely exceed the replacement value of the structure.

Sincerely,

On 1-9-25 at approximately 10:00AM, an Administrative Search Warrant was executed at 308 S. Fifth Street Marquette Michigan. The purpose of the Administrative Search Warrant is to determine the structural integrity of the garage per the International Property Maintenance Code (IPMC) 2021, Section 111.

It has been determined by Structural Engineer Richard Uren that the structure is not safe to enter or use for any purpose. Please see attached structural assessment.

I have posted the garage as "Condemned" Due to the extent of structural damage of the garage. Zoning Technician Eric Paupore was present during the search due to open Zoning enforcement at this property.
