Add Service 03
(via email)

City of Marquette,

The Peg Hirvonen Bandshell original RFP and AWH design team budget was based upon a structure with an estimated construction cost of \$1M. After collaborative design efforts with the City of Marquette and City band, the current Miron construction cost bid accepted for the bandshell is \$2,084,175.

Add service 03 specifically focuses on time spent due to unforeseen circumstances and additional design collaboration, summarized as follows:

Additional Construction Administration design time:

1. Additional coordination with the City band re: risers, lighting, sound systems, finishes: \$3,500
2. Redesign due to unforeseen subsoil conditions not identified by Geotechnical engineers: \$5,000
3. Marquette County permitting and variance processes: \$6,500

Requested Architectural fees for this Add Service: \$15,000.

If acceptable, please sign and return.
